

Thank you for your interest in the Spokane Area Youth Choirs. We are a performing art choral organization, committed to providing a unique musical experience where artistic expression and appreciation are developed. Our comprehensive program is designed for young people ages 7-18. Additional programs are available for 5 & 6 year-olds as well as an outreach choir for adult women.

The aim of the SAYC placement interview is to discover as much as possible about your child's musical potential. We realize that at this point in a child's life, few children have highly developed musical skills. Parents can prepare their children by assuring them they will enjoy the experience. **No other preparation is necessary.**

Complete and submit the online information form. We will contact you to schedule an interview time.
