www.SAYChoirs.org • 509.624.7992
Through the study, rehearsal, and performance of choral music, Spokane Area Youth Choirs (SAYChoirs) provides a joyful and challenging musical experience for musicians from age seven to 18. Choristers are introduced to healthy vocal technique, music theory, music history, and a variety of literature and performance styles. In addition, SAYC offers the ABC program, a beginning choir for 5 and 6 year-olds, focused on the Kodály method, and Le Donne, a choir for adult women.

SAYChoirs has touched the lives of over a thousand choristers and countless audience members since our founding, through rehearsals, concerts, guest performances, and tours around the world. The choral experience instills essential life skills in young people, including cooperation, self-confidence, focus, and dedication. Successive choir levels build on these skills and provide a positive space for growth, expression, and artistry.

The vision of Spokane Area Youth Choirs encompasses:

- The study, rehearsal, and performance of choral music with an emphasis on excellence.
- A safe and nurturing environment for student-singers to share the rewards and responsibilities of ensemble membership;
- A place for young people to connect to stories that have shaped, and will continue to shape, the human experience;
- Communal and musical experiences that bring joy to participants and listeners alike.

We hope that each student-singer will find his or her own voice, both figuratively and literally. Through the rehearsal and performance process, we aim to build a unique community together.

We invite you to join us! We are currently accepting new students. Call to schedule a placement interview or visit our website at SAYChoirs.org. Support us through concert attendance, business advertising, and donations.
